Introduction and Scope

This expression of interest is issued to solicit experienced, relevant and responsible catering firms for the purpose of providing daily catering service to five VIP lounges throughout the Arctic Winter Games March 4th through 10th inclusively. The five lounges will be located at the Canada Games Centre, Takhini Arena, Vanier High School, KDFN Cultural Centre and the Yukon Arts Centre. The Canada Games Centre and Takhini lounges will require light food (fruit, vegetable, cheese and meat trays, squares, cookies and evening appetizers). All lounges will require coffee, tea and juice service. Daily pickup and delivery service will be required as well as all serving dishes, paper goods and utensils.

- Two of the major venues will require regular servicing (minimum of twice daily) will be open 2:00 pm- 10:00 pm.
- Express lounges will be open all day but only require basic servicing and are not anticipated to have many visitors (fruits, veggies, coffee, tea and juice).
- There is one evening venue that will be open from 7:00 pm to 10:00 pm with evening appetizers.
- We anticipate that volume at the venues could vary but the average daily activity would be around 50-100 people.
